

Jon,

I spoke with Bill Bolton on the 4th (Charlie's brother) on the whereabouts of the Bolton clan during the Bingham Foundation weekend meeting. Unfortunately, all of the Boltons will already be in Maine. They spend the month of August + at their family properties.

Thinking out loud, if we were to have a future meeting in July (ie. July 18th/19th or 25th/26th), we would have a better chance of hosting a Blossom/Bolton gathering. The Blossom Soiree has usually been then 2nd to last Sunday in the month of July (probably the 18th/19th). Having the meeting on the 18th/19th could (TBD) include a Blossom/Bolton gathering and family attendance at the Blossom Soiree on that Sunday.

Regards,

Perry
